

In order for me to believe that God could ever use me to help change a life or help others through troubles and confusion I must “see the me that He sees”.

We as children of the living God have to change our focus and forget the old me that passed away and get to know the new me that took his place.

2 Corinthians 5:17

“Old things are passed away, behold all things have become new”.

In the Old Testament we see a man that believed himself to be a hopeless victim of the times in which he lived. But God saw a man that was able to change the world he lived in and help better it for all of his generation.

Judges 6:12

“You mighty man of valor.”

Gideon was changed from a coward to a conquer because he believed what the Angel of the Lord said about him. What if we believe the word of the Lord as we read it and learn what God has put into us? WOW!

James 1:22-24 when you walk away from the mirror of Gods word don't forget what kind of person He said you were

Galatians 2:20 Christ lives in me! If Christ lives in me than I am valuable to God. I can't say of myself, I'm no good or I can't do... I must say I am well able. I may have never done this thing you are asking of me before but I know who I am because of who lives in me!

Guess who's inside me and how much he is worth?

We must see the “me that he sees” or we will always be found hiding behind what makes us feel safe. That could be our opinion of our self along with many other things.

But just like Gideon, when we see what he says about me we become warriors, anointed to bring change to our community and even our world.
